OBSERVATORY PLANNING

- Attendee/stakeholder mapping
- Invited experts
- Preparatory reading

OBSERVATORY EVENTS

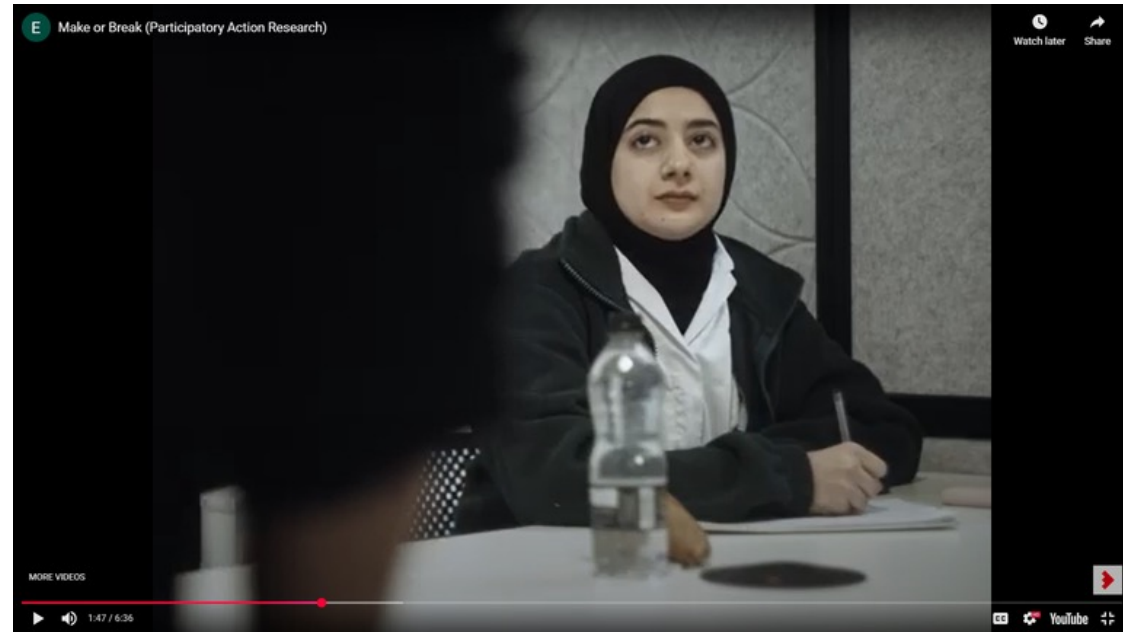

- Three hours, online
- Guest speaker(s)
- Sharing information and experiences
- Solution-focused, facilitated breakouts
- Priorities and voting

ACTION PLANNING

OUTPUTS

OUTCOMES

LEARNING

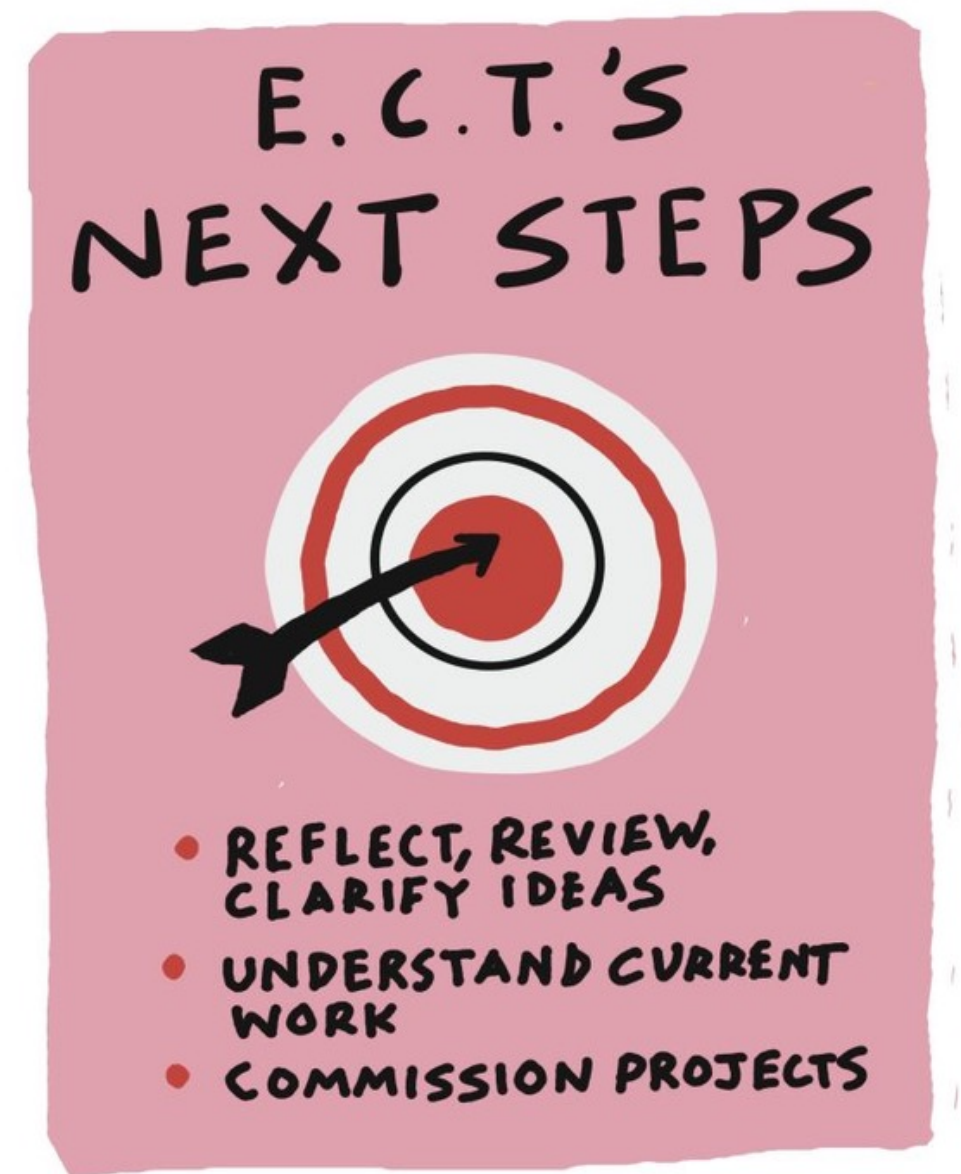

- An amazing way to bring experts together and learn from them
- Stakeholders participated because they trusted that action would be taken
- The format works well to co-create priorities

OUR NEXT STEPS

- Showcase the resources we have invested in
- Disseminate the Observatory work within and beyond our profession to inspire change
- Continue listening and learning
- Evaluate our action to date
