

Unsettling Creations: A post-qualitative inquiry on concepts of mental health and wellness with Chinese immigrants

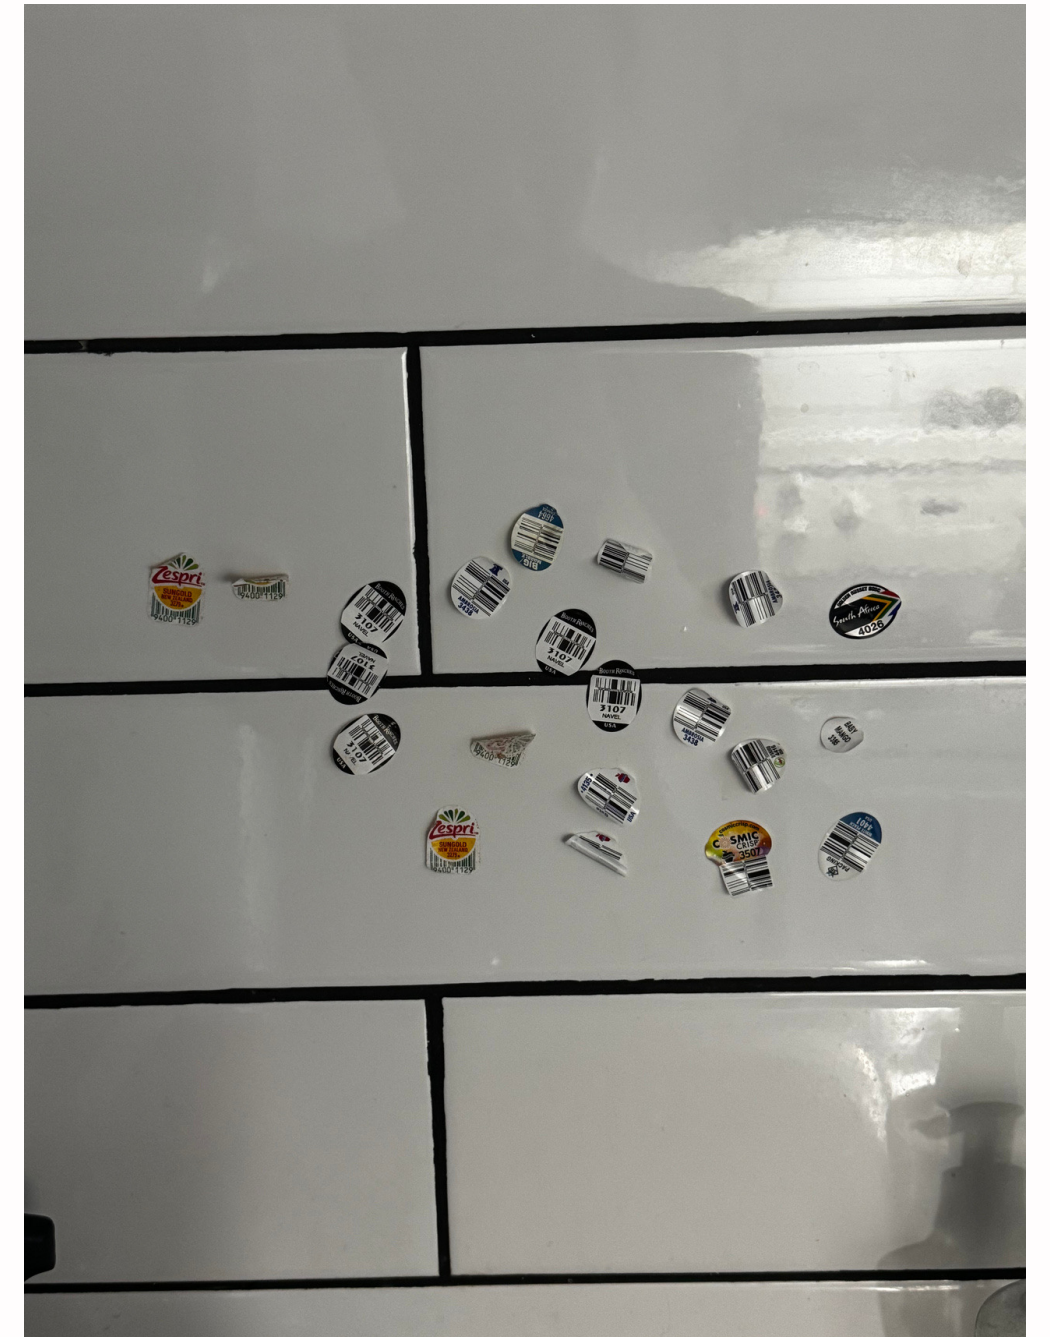

February 10, 2026

Shu Jun (Seina) Fan MScOT

University of Alberta, Faculty of Rehabilitation Medicine

Supervisor: Dr. Shu-Ping Chen

No financial disclosures.

Photographs from J, L, and W.

Can concepts of “mental health” move beyond binaries and make room for other possibilities?

Re-imagining mental wellness through soup, animals, and fruit stickers.

Doing different
research,
differently

Provocations:

Who is benefitting from the research that you are doing?

How do we make sure to be accountable to people who participate in our research?
