

THURSDAY 12 FEBRUARY 2026

The 19th WFOT Congress concluded with a mix of emotions as our global event came to a close. We hope everyone gained valuable insights from the final symposium, which focused on the future of the profession. During the closing ceremony, Samantha Shann's tenure as president ended and Tecla Mlambo was welcomed as her successor.

We appreciate everyone who travelled to Bangkok and helped make this one of our most memorable Congresses. We encourage you to keep Inspiring Change and Innovating Futures for our profession, our colleagues, and those we support.
